### Social Evening

**Time:** Friday, 2/Sep/2016: 19:30  
**Location:** U-Tower Dortmund City

The Social Evening takes place at the top floor of the Dortmund 'U-Tower' (night club ‘VIEW’ and restaurant ‘Das goldene U’). Alongside the dinner we will be entertained by artist Inez Timmer (singer and musical actor) and her programme on Lale Andersen (known for the famous song ‘Lilli Marlen’). Furthermore the Poster Price and the Young Scientist's Price of ESFR will be announced during this evening.

The location for our Social Evening is a very special one as it represents the (beer) history of Dortmund. For many decades it stood out as the biggest brewery of Western Germany ('Dortmunder Union-Brauerei') and is one of the very few buildings that were not destroyed in WWI. Today, it is probably the most important landmark of Dortmund. It has been turned into a creative centre of arts, media and culture. It hosts e.g. a cinema, a bar/club ('moog'), a restaurant on the floor ('Emil'), and the well-known restaurant located on the top level ('Das Goldene U') which turns into a club at night ('View'). Also, the ‘Museum Ostwall’ is based in there. It is a museum of modern and contemporary art whose collection includes paintings, sculptures and photographs from the 20th century to the present day. One of the core areas of the museum is a quite comprehensive collection of art pieces from the ‘fluxus’ movement. Over all, this location is very close to all hotels in the inner city and provides a splendid view over Dortmund.

**Programme Overview:**

19:30 Admission and welcoming  
20:15 Opening and champagne reception/ buffet  
21:00 Award ceremony: Young Scientist's Price and Poster Price  
22:15 Programme Inez Timmer

From Dortmund Central Station the S1 to Solingen (track 7) runs approximately every 20 minutes and reaches the train station Dortmund Universität within 6 minutes.

Airport Düsseldorf

The fastest train connection is the Intercity-Express from Düsseldorf Airport to Bochum Central Station. At Bochum the S1 to Dortmund Hauptbahnhof will take you to the train station Dortmund University. As a more comfortable alternative the S1 to Dortmund Hauptbahnhof already runs from Düsseldorf Airport to Dortmund University with additional 20 minutes.

Train

The train station Dortmund Universität is easy to reach from Dortmund Central Station with the S1 to Solingen on track 7. From Düsseldorf, Essen, Mülheim an der Ruhr and Bochum the S1 to Dortmund Hauptbahnhof runs directly to Dortmund Universität.

For the exact timetable please use: www.bahn.de

Car

The campus of TU Dortmund University is situated close to the motorway intersection Dortmund West, where the A 45 (Frankfurt-Dortmund) crosses the B 1 / A 40. In the eastern direction the B 1 leads through Dortmund to Unna, where there is a connection with the motorways leading to Bremen, Hannover/Berlin and Kassel. In the north, the A 45 ends after a few kilometres at the A 2, leading to the Kamener Kreuz and in the other direction to Oberhausen. In the Westhofener Kreuz, south of the university, the A 45 crosses the A 2, leading to Bremen and Köln.

The best motorway exits you find on the A 45 are “Dortmund-Eichlinghofen” (closer to the Campus Süd) and on the B 1 / A 40 “Dortmund-Dorstfeld” (closer to the Campus Nord). There are signs at both exits leading you to the university.
